

MCC Enrollment past 5 years (2014-2018)

	K	1	2	3	4	5	6	7	8	9	10	11	12	Total
9/18	28	29	35	31	42	39	29	36	31	35	40	25	26	426
9/17	25	26	27	39	40	26	36	31	33	38	23	27	30	401
9/16	27	28	34	33	23	33	29	28	35	25	27	33	32	387
9/15	25	34	33	21	33	28	28	37	29	29	31	35	30	393
9/14	40	31	23	31	27	26	36	26	30	31	32	32	25	390

9/18 enrollment as of 9/12/2018

By Building:

Viking Elementary: 92 students (Also has 34 preschool/head start students)

Newfolden Elementary: 141 students

High School: 193 students

Next year estimate if things remain status quo:

Viking: 91

Newfolden: 147

High School: 196

Total K-12: 434

It will likely go up next two years because junior and senior classes are our smallest classes right now. (i.e. current preschool class is 34 and senior class is 26 so we will net 8 there). I can't give solid figure for year after but could potentially near 440 students.

We have been able to accommodate additional students well with the remodels within Newfolden Elementary.

This allows room for more additional students. (approximately 10-15 per grade and still have class sizes at 26)

There are some spacing concerns:

1. Pressure on our gym/music schedule resulting in combined grade 3 and 6 this year.
2. Pressure on lunchroom resulting in moving of 9th grade to senior high lunch last two years.
3. Pressure on special education in Viking and space. Utilizing stage for social worker and nurse.
4. Pressure on preschool space (desire for more days of preschool which area districts are beginning to offer)
5. Elementary Library and Music in High School now (handling well)
