

School Readiness Supply List for Fall 2017:

Full size backpack

Storable snack for class of 20 students (such as crackers or granola bars)

Change of clothes in lg. Ziploc bag, incl. underwear & socks (all items labeled)

Blanket or mat for rest time (one item only, labeled clearly)

2 large glue sticks

Package 5 oz Dixie Cups

Last names beginning with A-K: full size box of Kleenex

Last names beginning with L-Z: Canister or package of wet wipes (no alcohol)

Tennis shoes for gym (they can wear these or bring them each day; we don't have a place to store them at school over the weekend). Please note if you are buying new shoes for fall, we would really appreciate slip-ons or Velcro fasteners unless your child can tie his/her own shoes already. Typically that is a skill they will begin learning at the end of preschool in preparation for going to kindergarten. The new laces just don't seem to stay tied, and we spend a lot of time tying/retying shoes.

Teacher's Wish List (Optional Items):

Sandwich Ziploc bags

Bottled 100% Juice
